Low Carb Zucchini Tortillas

Dietdoctor.com

Makes 4 servings

1¼ lbs zucchini, unpeeled, and shredded
1½ cups (6 oz.) shredded cheese
2 large eggs
1 cup (4 oz.) almond flour
1 tbsp ground psyllium husk powder
½ tsp salt

1. Preheat oven to 400°F (200°C). Line a large baking sheet with parchment paper.
2. Place the shredded zucchini in a tea towel or use your hands, and squeeze out any excess liquid. Add the zucchini to a large bowl, and mix together with the shredded cheese, eggs, almond flour, psyllium husk, and salt.
3. Scoop equal portions of the batter onto the baking sheet, leaving space in between. Flatten each portion with moist hands, forming thin and round tortillas, approximately 10" (25 cm) in diameter.
4. Bake on the middle rack for 15-20 minutes, or until lightly browned. Set aside to cool.
